

# Mayor's City Council Updates

A newsletter updating you on what's happening in Noblesville

## City Council Update

**Due to the outbreak of COVID-19, our last few meetings have been held via teleconference.** In these meetings, we voted unanimously to strengthen the City's emergency response, directed the public to follow guidelines issued by public health officials, and funded the Small Business Resilience Grants managed by the Mayor's team.

The latest guidelines on the phases of Governor Holcomb's guidelines, and what they mean for Noblesville, can be found [here](#).

**While we are unable to meet in person for tonight's scheduled Council meeting, we have opted to meet over video conference to adhere to social distancing guidelines.**

Here's what you need to know:

You can watch the meeting on Hamilton County Television's [website](#) or [Facebook page](#).

If you would like to call in with comment, dial 812-250-2251. When prompted, enter the following Conference ID: 915768714, followed by # key. Keep phone muted until called upon to speak.

Want to attend the next meeting? [Here's the full schedule](#).

## Now Open: The Gordon Building

The former Key Bank building reopened last week with refurbished office space and space under construction for an eventual restaurant!

The best part? The owners of the building commissioned artists from [Nickel Plate Arts](#) to create pieces for the exterior of the building. They look incredible!

Welcome to the neighborhood, Gordon! More on the building can be found [here](#).

## Reminder: Brush Collection Resumes

The City of Noblesville has begun picking up large brush piles again. To practice social distancing, no small piles will be picked up by hand at this time; however, the City will pick up everything they can, except for piles that might damage anything with the grapple.

Questions? Here's a comprehensive resource on Noblesville's Brush Collection Program:

## Opening Soon: The Main Street Farmer's Market

The Noblesville Farmers Market kicks off this weekend in Federal Hill Commons! Here are a few things to keep in mind (courtesy of Noblesville Main Street):

- To ensure everyone stays healthy, masks are required. If you don't have one, they will be provided at the market for you. Public restrooms also will not be available for the time being.
- The types of vendors may change depending on direction issued from the Hamilton County Health Department.
- Since Main Street is getting a delayed start to the season, they are extending market to run through October 24th.
- The schedule for each weekend remains the same — 8AM-Noon every Saturday!

## Noblesville òIn the Newsó
